

Description

DOOH Retail Tech are digital, landscape-format screens (TV sets) that are placed in the sales area (in the TV department = TV wall and front sales shelves) of MediaMarkt/Saturn stores. The large number of screens, most of which are positioned next to each other and run synchronously*, creates a special effect and a high level of attention. The varied program is diverse and has something for everyone.

Operating hours: Monday to Saturday,
Depending on opening hours of the store

Possible ad duration between 5 seconds
and 30 seconds

**Due to technical conditions at a location,
there may be a slight delay in the
broadcast.*
